WASHINGTON, D.C. 20505

OLC 74-2446/A

14 January 1975

Mr. Norvill Jones
Committee on Foreign Relations
United States Senate
Washington, D. C. 20510

Dear Mr. Jones:

Enclosed is a package prepared by the Agency in response to your 22 November 1974 request for information on arms sales.

Unfortunately, we were not able to service your request properly without using classified material. While that material cannot be used in an unclassified study, we thought you might find it helpful by way of background. We would be pleased to have our people talk with you regarding the studies and would appreciate their return when you have finished with them.

Please let me know if we may be of any further assistance.

Sincerely,

[Redacted Signature]

George L. Cary
Legislative Counsel
